

## Environment Exhibit Set For May 18-22

Environment is the urgent interest of the area, and an important aspect of Lake County as demonstrated in an exhibit in the Lake County Regional Planning Commission's office on the eighth floor of the County Building in Waukegan, open to the public May 18th through 22nd from 9:00 a.m. to 5:00 p.m. daily. It may be of particular interest to teachers, students and hobbyists in both physical and social sciences, developers and builders.

For centuries students of soil characteristics and geology have been literally digging for and analyzing information on the earth beneath us, and their only audience was other students, agriculturists, and mining interests. Quite recently they have a new excitement—they are now working directly for people.

With the rapid population growth came rapid urban growth, and the establishment of planning agencies to help promote orderly community development. And the planners soon learned that, to make their advice sound on the placement of highways, sewers, houses, buildings with deep foundations, they need the analyses of students of the earth's crust, both the thin top layer, in which vegetation grows—or doesn't, and water drains—or doesn't; and the geologists, who study the deeper layers, from which pure water comes—or doesn't—and which will support structures which are to endure heavy stress—or won't.

The planning commission exhibit is comprised of a series of colored maps showing the characteristics of Lake County, with each township on a larger scale, to show why the planners recommend housing here, forest preserve there, highways in one course rather than a half mile west of it. The exploration and testing has been done by the Soils Conservation Service of the U. S. Department of Agriculture, and the Illinois State Geological Survey.

The county planning commission engaged a specialist, Jaime A. Barreto, of Physical Planning Associates, to direct the production of colored maps illustrating this information. Barreto explained that the red, yellow, green color key is used universally for such maps, with three shades of each color. They are easy to translate, for they follow the familiar traffic signal pattern. For instance, if an industrialist were selecting a site for an installation which required a deep and solid foundation, deep red on a location would mean "No—you'll have trouble, undue expense, and an unsatisfactory result!" Yellow would suggest, "Perhaps—but proceed with caution. There are numerous engineering problems, and if they are surmounted, the cost may be too great." Deep green would mean, "Go! You've found your location!" with lighter shades of green indicating slightly less than optimum suitability.

Maps are made to show various characteristics, and some are made on transparent material, so that one can be laid over another when two features are sought. For instance, if one were considering the installation of a septic filter fields, and approve the spot. But then, overlaying a geological map showing potential for pollution of underground water, he might find his green spot overlaid with red—and he would need two coinciding green spots to indicate satisfactory conditions for a septic field.

## Sawyer Open House Set For Thursday

Public officials and business leaders will join high school counselors and commercial subject teachers in a dual observance at an "open house" at Sawyer College of Business, 210 N. Geneseo St., Waukegan, Thursday, (May 14) from 4 p.m. to 6 p.m.

The open house will highlight the observance of Secretarial Education Week in Lake County, proclaimed recently by Dr. W. C. Petty, Lake County Superintendent of Schools.

"In addition to Secretarial Education Week, the open house will serve to celebrate the change in operation of Sawyer College of Business from a corporate operation to a locally-owned franchise," according to Richard Otto, director of the Waukegan Business campus.

The Waukegan college opened in the fall of 1968 as one of nearly two score Sawyer schools across the country, but in March it became the second franchise operation in the new division of International Industries which purchased the business college chain in 1967.

Visitors to the Sawyer College of Business during the open house will view the modern office equipment and the latest audio-visual and individual teaching aids in use at the school.

## 4 Antioch Students To Graduate

Four Antioch students will receive degrees on Sunday, May 17 at Carthage College graduation exercises to be held at 3 p.m. in the Phys-Ed Center.

They include:  
James R. Cornelius, son of Silas W. Cornelius, business administration.

Janet G. Feller, daughter of Mr. and Mrs. Frank Feller, elementary education.

Joan M. Larson, of 533 Poplar, elementary education.

Margaret Ann Ott Laude, of RR 4, elementary education.

## 4 States Name Pickard To Make China Service

The State of Iowa

Pickard, Inc., of Antioch, makers of fine china, has been selected by the States of Louisiana and Iowa to supply those states with the official state service.

Henry Pickard, president of the organization that has been manufacturing fine china in Antioch since 1937, said the selection of Pickard by Louisiana and Iowa brings to four the number of states that have selected his firm.

The other two states were Georgia and Texas.

Pickard said the 60 place service to be supplied to the State of Louisiana was by direct state purchase.

But the Iowa service, which will number 100 when completed, has been ordered by the Republican Women's Clubs throughout that state.

Pickard said that replicas of the state seals are sent to his firm and then they are embossed in gold on china.

He said that the two new state services are the only ones that have been ordered anywhere in the past three years. The china is used for state dinners and functions of the governor of each state.

"We are quite proud that we have been selected by those two great states to make their official service," he said. "It is quite a feather in our caps."

The Pickard firm is the oldest continuous manufacturing firm in Antioch.

Pickard said that a new show room is also being completed this week at the firm's office and that the two new state services, along with the two others, will be displayed there.

Also on display will be several antique pieces, he said.

The State of Louisiana

## Discuss Plant Safety

A meeting was held with members of the personnel and managing departments of Regal China to discuss a program of safety for the plant.

The meeting was attended by Richard Willer, Lake County Civil Defense and Leo Parke, North East Mutual Aid Civil Defense.

They inspected the plant with Al Coleman, plant supervisor to study safety locations in the event of a natural disaster. A warning system is to be installed throughout the plant.

Members of Antioch Organizations were represented by Jack Davis—Police Chief (WARNING), Dan Dugenske, Lt. Rescue Squad (Rescue-First Aid), Vern Barnstable Dept. Chief (Fire Control) and Edw. Frazier, Director (Civil Defense).

Mrs. E. Tutin represented the personnel department and Mr. Robert Taubitz represented the organizational of the safety program.

C. D. Director Edw. Frazier visited the following industries to check on safety precautions. Quaker Industries, Chicago Ink, Expando Foam, Active Industries, Hercules Tool, Victor Tool, H&T and Kundson. Pamphlets and warning information was issued to all plants visited.

All schools were visited, in Antioch proper. Most of the plants are without warning systems.

## PM&L To Present New Play

Bell, Book and Candle, an outstanding and popular title among community theatres, will delight audiences for several more weeks at the Antioch Country Club Playhouse.

The play has been described by critics as "completely enchanting... a wonderfully suave and impish fantasy."

The author assumes that a few modern people can cast spells and perform feats of supernaturalism. Gillian Holyrold (Frances Imsande), of the Murray Hill district, casts a spell over an unattached publisher, partly to keep him away from a rival and partly because she is attracted to him.

He falls in love with her at once and wants to marry her. But witches, unfortunately, can (Continued on page two)

## Grade School PTA To Name New Officers

The Antioch Grade School PTA will hold its final meeting of the 1969-70 year on Monday, May 18 at 8 p.m. in the school gymnasium.

The slate of officers selected by the nominating committee, for the 1970-71 year is to be elected and installed.

They are Mrs. John Fries, president; Mrs. Fred Holbert, vice president; Mrs. Lester Zikus, secretary; Mrs. Sid Parker, treasurer, and Mrs. Paul Biel, historian.

The installation will be followed by a program from the Fine Arts Department of the Antioch Community High School under the direction of Kenneth Smouse. Refreshments will be served by the Kindergarten and First Grade Room Mothers.

## Stillson Reception Set For May 17

Mr. and Mrs. Melvin Stillson will be honored at a reception Sunday, May 17th from 2-4 p.m. in the high school cafeteria.

At 3 p.m., William Brook, Board President, will serve as Master of Ceremonies at a short program to honor Stillson for the 35 years of service rendered to District No. 117 since 1934.

Former students of Stillson, friends and citizens of the Antioch area are cordially invited to attend the reception.

## Chamber Annual Outing

The Antioch Chamber of Commerce has completed plans for the annual baseball outing to be held on June 8.

The Milwaukee Brewers are playing a single game with the Chicago White Sox and the Chamber has reserved lower deck box seats at Milwaukee Stadium for the affair.

Transportation is by chartered bus and will leave the Antioch Travel Agency at 6 p.m. Game time is 8 p.m.

Reservation and checks must arrive at the Chamber office before May 25.

## Weis Heads County Heart Group

Dr. Erich Weis, chief of the coronary care committee at St. Therese Hospital, Waukegan, was elected to a second term as president of the Heart Association of Lake County at the Association's eighth annual meeting, Wednesday evening, May 6, at the Swedish Glee Club, Waukegan.

A resident of Waukegan, Dr. Weis is a member of the coronary care committee at Victory Memorial Hospital, Waukegan, and is affiliated with Zion-Benton Hospital. He is a board member of the Chicago Heart Association.

Elected chairman of the board of directors was Lake Bluff resident Stephanie Sulthinn, circuit court clerk for Waukegan. Mrs. Sulthinn has been a Heart Association volunteer for 10 years, having served as a board member and as chairman of the Lake County and Lake Bluff Heart Fund drives.

Edward R. Holmberg, Jr., a Waukegan attorney, was named the new lay vice president. (Continued on page three)

## Auto Crash Fatal

An Antioch man was killed last Saturday when his auto went out of control and struck a utility pole on North Avenue in Antioch Township.

Dead is Rice P. Hedges, 26, of 363 North Ave.

The Antioch Rescue Squad had to use pry bars and other special equipment to remove Hedges' body from the wreckage.

He was pronounced dead at the scene.

Hedges was about a mile from his home when he lost control on a curve. His auto struck a large boulder on the south side of the road and then hit a barn before crashing into the utility pole.

The car came to rest in a farm field.

Hedges was employed at the Ball Bros. Manufacturing Co., Mundelein.

His death was the 26th on Lake County roads during 1970. In 1969, during a corresponding period, there was a total of 34 deaths.

## Grads To Hear Peske

Edgar Peske, Vice President and Treasurer of the Chicago division of Illinois Bell Telephone Co. will be the Speaker at the 55th Graduation exercises of Antioch Community High School to be held on Sunday, May 31, 1970 at 4:00 p.m.

Peske has been employed by Illinois Bell from 1930-43 and from 1954 through the present. He has also been employed as a staff engineer for American Tele-

Peske

phone and Telegraph Co. of New York; as staff assistant, assistant vice president and general rate engineer for Michigan Bell of Detroit.

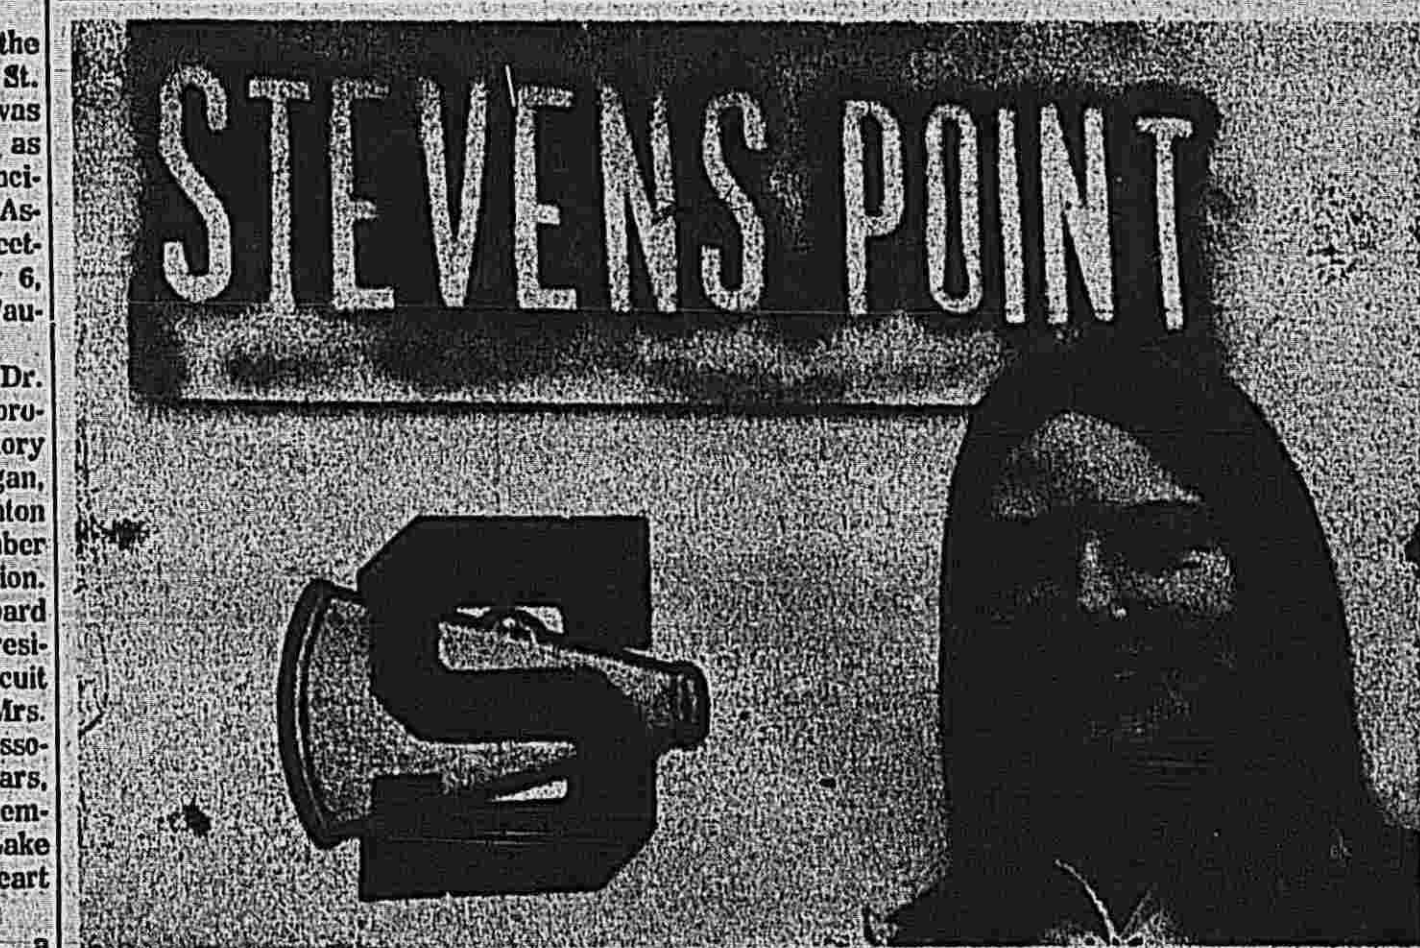

He returned to Illinois Bell as assistant vice president of revenue and finance and in 1963 was appointed to his present status.

He has been extremely active in civic and business affairs which is demonstrated by his involvement in: Member, American Accounting Association, American Economic Association, American Finance Association (past director business finance), American Statistical Association, Investment Analysts Society, Chicago. (Past member board of governors), Midwest Finance Association.

(Continued on page three)

Antioch's Dr. James Kopriva is featured today in a series on personalities in Antioch written and photographed by Joe Rush. See page 9.

Diane Hunt of 813 Hillside Ave., Antioch, has been selected as a member of the Stevens Point State cheerleading squad for the 1970-71 year. She is a freshman majoring in business education.

## EDITORIAL

## Don't Judge Quickly

It is premature to jump to the conclusion that expansion of the war will fail this time.

Perhaps this time it will work.

It is entirely probable that the invasion of the privileged sanctuaries of Cambodia, will result in at least the disruption, at the most the destruction of the communication system and the supply dumps of the North Vietnamese command.

If that happens their ability to operate in South Vietnam will be impaired. According to a White House Official, after the operation is concluded the enemy will not be able to make full use of the area for six to eight months.

That will be a military plus for our side.

It is also hoped that the loss of his privileged sanctuaries will induce him to begin negotiating seriously.

It cannot be much more than a hope.

The same rhetoric and the same reasoning was used in support of the original decision to commit American troops to combat five years ago. The price of continued resistance by the communists would be too high to pay and they would then become reasonable at the negotiating table. Well, they have been fighting this war a long, long time. And while they are certainly impervious to military pressure they have not crumbled under it either.

The President has said that it is not our power, but our will and character that is being tested. It is also their will that is being tested.

History provides very little reason for hope that their will — will break now, in what is really the 25th year of their war.

The turn of events in Indo-China has buried within it a consolation for hawks or doves alike, though it is a harsh kind of consolation.

The consolation is that things have now been pushed so far that they must now be pushed all the way to one decision or another. This aggravating indecisiveness cannot be allowed to linger on much longer.

It seems inconceivable that after six weeks time Mr. Nixon will be able to pull out of Cambodia and say we did our best now let's go back to slow de-escalation. He's got to hit harder in decisive places or else take steps that will lead to surrender.

In Congress the doves who are always bold in voice and timid in action must now carry things to a vote for a surrender and all its consequences or acquiesce in tougher military action. Mr. Nixon's studied affront to Congress permits no further carping without commitment to a legislative stand.

Many who are hawks favor hitting hard in a half dozen decisive places.

But, like many of the doves they are so tired of this war that if we are not going to hit they would settle for surrender provided it be made clear by a vote in Congress who is responsible for the consequences that will follow surrender.

However, whichever it is to be we seem to be headed for a decision.

What Mr. Nixon crossed last week may have looked like the Cambodian border but in a sense it was the Rubicon.

## ALONG THE WAY with Annie Mae

## SPRING CLEANING

Now is the time to have all your trash disposed of. The Village crew has been busy all week hauling tons of rubbish.

## NEW BABIES

Mr. and Mrs. Ray Stieckler of Oakwood Knolls are proud parents of a son born May 9. Bruce and Karen Galgan had a baby girl, Dana Rose born May 7. They live in Zion with their other child 2½ year old Chris. The maternal grandparents are the Dan Lightseys of Antioch.

## HAPPY BIRTHDAY

To Ivah Aronson who will be 91 years old May 21. Hope you have a happy day.

## LUNCHTIME INTERVIEW SHOW

The Zion radio station will be broadcasting live from Antioch Country Club every Wednesday from 12:30 to 1:30. Guests may

include "Zsa Zsa and Arnold" and celebrities of the area.

## HAPPY ANNIVERSARY

Shirley and Bernie Gutowski on fifteen years of wedded bliss.

## DOUBLE HEADER PLANNED

May 24th is the opening day for Little League. Looks like we have the nicest ball park around, thanks to the help of Antioch Lumber, Benes Construction, Thelen Ready-Mix, Ron Vos, Murray Wix and Les Zitkus for the new floors in the dug outs.

Little League is also completing plans for their rummage sale at 439 Maplewood Drive, Oakwood Knolls. Proceeds help purchase new equipment for the boys.

## ON TAP THIS WEEK

Mother-Daughter Banquets to be held this weekend. Friday the W.S.C.S. at the Methodist Church; Saturday, GAA at the high school. A reception open house in honor of Mr. Stillson for his 36 years of dedicated teaching at our school. Sunday evening the high school athletes will be feted at a banquet at Lorenz's. Bell, Book and Candle is still playing at the Antioch Country Club.

Hope you can make it to some of these doings.

ANNIE MAE

## Heather Named Queen

Heather Petty, daughter of Mr. and Mrs. William E. Petty of Town Line Road, Antioch, was named queen of the Antioch High School Junior Prom.

Heather was selected from a quintet of lovelies including Dawn Ellis, Gail Kumpfer, Pat Shastal and Debbie Santi who served as the ladies in waiting.

The coronation took place May 2 and the new queen received the royal roses and led the coronation dance with King Mike O'Neill, president of the junior class.

Following the prom Heather and her escort, Chip Gross, had dinner at the Hyatt House in Chicago and on Sunday reigned over Picnic Day.

## 'Outstanding' Award To Bill Beese

William Beese, 14, an eighth grade student at Grass Lake School, has won the top award at the state science fair held on the University of Illinois campus at Champaign-Urbana.

The youngster, son of Mr. and Mrs. Earl J. Beese, of Rte. 1, Little Lake, Antioch, took the "outstanding" award for his exhibit of soil conservation.

He also won outstanding awards at the grade school, high school and district levels before reaching the state contest.

Besides receiving a certificate and a pin from the Junior Academy of Science, the award makes him eligible for scholarship application for college.

The plural of titmouse is titmice, but the plural of mongoose is mongooses.

## PM&amp;L To Present...

(Continued from page one)

not fall in love, and this minute imperfection leads to a number of difficulties. Ultimately the lady breaks off with her companions in witchery, preferring the normal and human love offered to her by the attractive publisher, Shepard Henderson (Tom Malen).

Other cast members are Virginia Lind, Charles Popp, and Lois Jones, not to forget a pussycat taking the starring role of Pyewacket.

The Avon Players of Grayslake are the guest theatre group giving this production with Brian Moats directing. They are in their thirteenth year of "live community theatre."

Reservations can be made by calling the Antioch Country Club, 395-3000. Curtain time is 8:30 p.m. on Friday and Saturday, 7:30 p.m. on Sunday.

## Environment...

(Continued from page one)

There are in addition maps to show each of various geological characteristics indicating desirable uses. They are characteristics for waste disposal, showing areas with a high potential for water pollution; mineral resources (sand and gravel); engineering characteristics, indicating possible problems in ensuring stability in a building.

There are also maps showing flood plains where no one would want to build, but where other maps may show high potentials for recreation or conservation.

The maps will be maintained by the Lake County Planning Commission. "They will be available and valuable for community planning officials and private developers, as well as for our use in recommending county plans," said Gerald Estes, staff director of the Regional Planning Commission.

## Student Officers...

(Continued from page one)

American family and friends a fond farewell in just a few short weeks.

It is because of the American Field Service Scholarship Program that fine young people like Jeed receive the opportunity to exchange cultures and friendships with people in the United States and in foreign lands.

Anyone who is interested in lending a helping hand to carry out this worthwhile program is invited to attend the A.F.S. meeting May 19.

## Defensive Driving Is Taught

Have you ever wondered how a skidding auto might be used to demonstrate a means of preventing automobile accidents and saving lives and property? Antioch Driver Education classes learned the importance of defensive driving during an auto skid demonstration presented by Country Companies on May 8th.

By observing the distance necessary to stop an automobile at various speeds during controlled auto skids, the students witnessed the urgent need for defensive driving.

The educational program also emphasized attitude and knowledge as a means of preventing automobile mishaps.

Participating in the driving demonstration were Ronna Andrews and Jeff Sterbenz. Also taking part were Gretta Sandburg and Dave Vos.

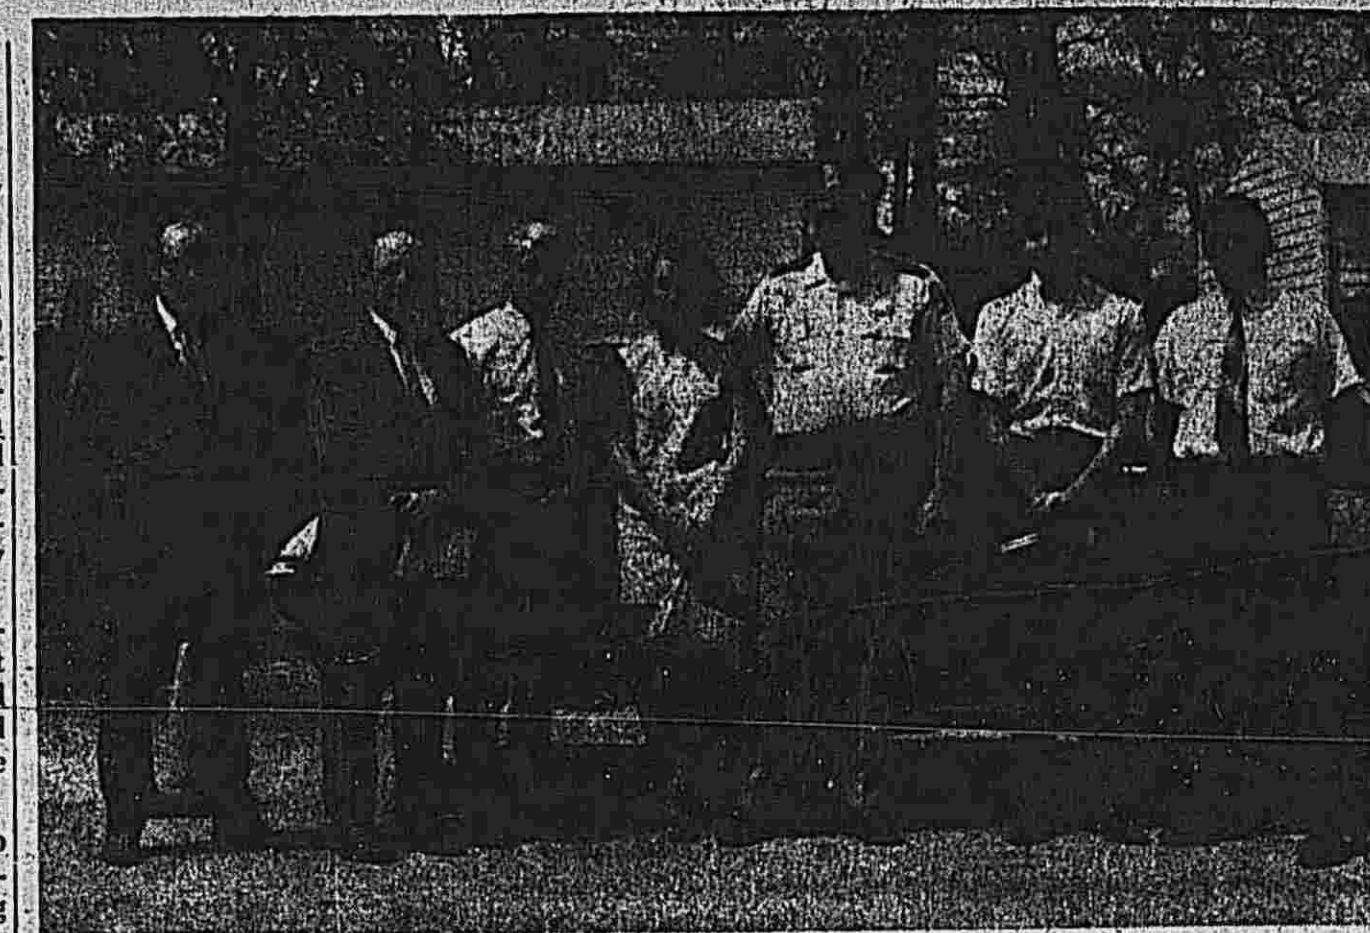

The tests were conducted at varying speeds—20 to 40 mph.

Larry L. Hale, public relations representative of the Country Companies, conducted the demonstration and Dave Vos of the Antioch police department assisted. The demonstration was arranged by George Hall, agent for the Country Companies.

One important feature of the demonstration showed that when an automobile's speed is doubled from 20 to 40 mph the braking distance is four times greater. Of course, faster speeds magnify the problem to startling proportions.

The demonstration automobile was equipped with a special device which indicates the distance traveled while the driver is moving his foot from the accelerator to the brake. In addition, it indicates the distance it takes to stop the automobile after the brake has been applied.

Antioch High School participants used reaction and braking charts in keeping a record of the drivers participating in the demonstration. They were able to compare the scores of each participant with a set of averages. At the conclusion of the demonstration, each student was given a booklet "When Is a Car a Crocodile on Wheels," which emphasizes the importance of defensive driving.

These are the ones who participated in the skid tests run by the driver's education class of Antioch High School to teach defensive driving. They include, from left, George Hall, Ward Lear, Gerald Sandburg, Ronna Andrews, Dave Vos, Jeff Sterbenz and Roger Andrews.

## Jaycee Art Fair Winners Are Selected

The Lake Region Jaycees presented their Second Annual Spring Art Fair on April 25 and 26, 1970. Forty-one artists participated in the fair. Judging covered over 400 works of art in nine categories. Distinguished judges of the fair were John Fleischer, Art Instructor of Salem Central High School and Niallee Teagarden, Instructor in The Lake County Jr. College and the Kenosha School System.

The winners' names are as follows:

Best of Show: \$50.00 Savings Bond—Donna Lynn Sauzer—Title (Big Acrylic)

Oils:  
1st—\$25.00 Savings Bond—Carol Hill, 2nd—Millicent Snook; 3rd—Shirley Grego. Honorable mention—Ruth Kanaby, Joanne Beckman, Millicent Snook, Jan Steltz.

Water Colors:  
1st—\$25.00 Savings Bond—James Kraft; 2nd—Jan Steltz; 3rd—Francie Freeman; Honorable Mention—Anne Copple.

Pastels:  
1st—\$25.00 Savings Bond—Norma Gavin; 2nd—Shirley Grego. Drawings and Sketches:

1st—\$25.00 Savings Bond—Sara Fields; 2nd—William Weber; 3rd—Mary Kanaby; Honorable Mention—Joanne Beckman.

Photography:  
1st—\$25.00 Savings Bond—Donna Sauzer; 2nd—Charles Porter; 3rd—Donna Sauzer; Honorable Mention—Jan Steltz.

Sculpture:  
1st—\$25.00 Savings Bond—

Douglas Bateman; 2nd—Soren van der Raha; 3rd—Patricia Hoffman; Honorable Mention—Mary Pionke.

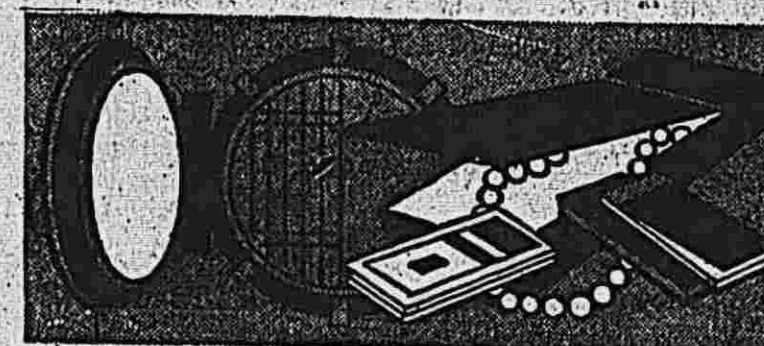

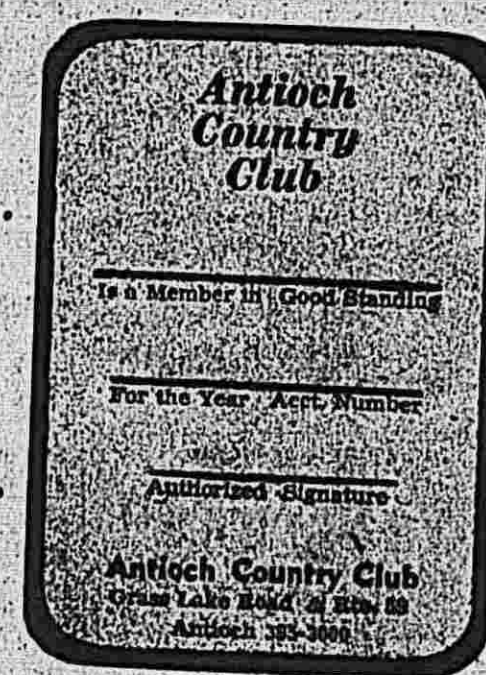

Ceramics:  
1st—\$25.00 Savings Bond—James Kraft; 2nd—James Kraft; Honorable Mention—Margaret Fugette. Mixed Media:

## MOTHER

On days like these  
I look back and see  
That where would I be  
If it were not for thee.  
Through the coming days  
Of rebellion and riot  
You need not fear  
I won't be shot.

From what I have learned  
When I was at home  
I won't go out  
And burn down Macomb.

When Sunday comes on  
And from my window I see  
All the marchers and dissenters  
Do not worry, they won't be me.

What I'm trying to say  
Through these lines so poor  
Is that because of you  
I know the score.

You have taught me  
What to do  
And because of this  
I thank you.

Happy Mother's Day  
Dale

## Antioch 4-Hers Busy

Four-Hers all over Lake County have been very busy. Our club competed against 14 other clubs on Monday, April 27, in Share-the-Fun-skits. We won a blue ribbon along with four other clubs. Four winners were chosen the following night from 13 clubs and 8 blue-ribbon winners competed Friday, May 1. The Antioch Adventurers won second place—the Volo Busy Bees taking first.

Our club also had 2 M.C.'s competing: Diane Fischer and Linda Lagerstrom. Linda won a blue ribbon and took second place in the finals—first place going to Rick Kubetz of Chain-O-Lakes. The first place winners will compete at the State Fair in Springfield in August.

A pot-luck supper was served to approximately 125 parents and 4-Hers' Sunday evening. Our projects were on display and Antioch High School's foreign exchange students, Daniel Karod from Argentina and "Jed" Rokcharchareon from Thailand, showed slides from their homelands.

Sylvia Meuter presented our state flag to Byron Levene, Emmons School Superintendent, on behalf of the club.

Our guests were Mrs. Barbara Dahl, Assistant Home Extension Adviser, and Mrs. Betty Wertke, County 4-H chairman.

A busy week, making the "best better through 4-H".

## Friday Is Day For Salem Play

"You Can't Take It With You," winner of the Pulitzer Prize as a Broadway laugh hit and the Academy Award as the most entertaining film of its year, will be presented by Salem Central High School on May 15 and 16.

The play is directed by Terry Havel. John Fleisher designed the sets. Backstage crews, makeup, tickets, publicity, and lighting are handled by members of the CHS Drama Club. Tickets will be sold at the door for one dollar.

## Donations To Rescue Squad

Ackerman, Benes Construction, Gerlie Lindgren, Mr. and Mrs. H. N. Halvorsen.

## Read Meters By Phone, New Method

A communications system that allows gas, water and electric utility companies to read meters over the telephone lines has been developed and is being tested by Bell Telephone Laboratories, according to A. M. Swan, local Illinois Bell Manager. A total of 150 homes in the south suburban community of Summit will participate in the six-month trial which is expected to begin in September.

The test, coordinated by the American Telephone and Telegraph Company, includes four utilities—Commonwealth Edison, Peoples Gas, Northern Illinois Gas and the Summit water department.

In the test, Illinois Bell is providing communications facilities that include experimental equipment in the homes involved, in the telephone company's central office and at the utility companies' data centers.

The system works as follows: telephone lines connect a utility company's computer with the meter. Utility equipment attached to the meter converts its readings into electrical impulses that are transmitted through telephone company connecting equipment back to the utility's computer for recording and billing.

Meters will be read one after another, usually late at night or early in the morning when telephone lines are likely to be idle. Each reading will be obtained quickly—within a few seconds—with the subscriber unaware of the process. The readings will not interrupt a call in progress and there will be no telephone company charge to the homes involved for meter reading calls.

The primary purpose of the present tests is to determine for all parties involved the economic and technical feasibility of reading meters through the use of telephone lines rather than metermen.

**VA FILERS**

The appointment of Dr. Marc J. Musser as Chief Medical Director of the VA was announced recently by Administrator of Veterans Affairs Donald E. Johnson.

The VA says permanently and totally disabled veterans are eligible for grants up to \$12,500 for the construction, remodeling or adaptation of homes.

## NI-Gas Shows Revenue, Earning Hike

A sharp increase in revenues and earnings marked the first quarter of 1970 for Northern Illinois Gas Company, according to a report now being mailed to the utility's 85,000 shareholders.

NI-Gas chairman Marvin Chandler said revenues for the first quarter were up 17 percent over the first quarter last year, while earnings were \$1.63 a share as compared with \$1.53 for the same period in 1969.

"About one-third of the increase in revenues is the result of normal growth," Chandler said. "The remainder is due to weather, which was 7 percent colder than the first quarter of 1969 and the passing on of higher charges for gas through the purchased gas cost adjustment provisions in our rates."

For the 12 months ended March 31, NI-Gas earnings were \$2.72 a share, compared with \$2.57 for calendar 1969, and \$2.47 for the 12-month period ending March 31, 1969. Figures for the two most recent 12-month periods are before an extraordinary write-down of 56 cents a share last December to reduce the subsidiary Apple River Chemical Company's plant to estimated realizable value, Chandler explained.

Included with the report, stockholders are receiving the May 1 quarterly dividend checks at the new annual rate of \$1.72 a share. The latest dividend increase marked the twelfth consecutive year the annual rate has been raised, almost tripling in that time—from 59c to \$1.72.

Stockholders were also informed that the company's board of directors had approved the final agreement with Commonwealth Edison Company and its wholly-owned subsidiary, Mid-Illinois Gas Company, for the merger of Mid-Illinois into NI-Gas. The agreement, signed April 9, is subject to approval by regulatory agencies and stockholders of

## Bond Sales In County At \$440,689

Lake County residents purchased a total of \$440,689 in series E and H savings bonds and Freedom Shares in March according to Richard F. Kennedy, Waukegan and Richard D. Newland, Waukegan, Ill. county chairman of the savings bonds committee.

Sales in the state of Illinois were \$24,608,406 according to Clarence S. Sochowski, market director of the Treasury's savings bonds division. This is 6.9 percent below sales for March 1969 and represents 5.4 percent of national sales which were \$458 million. National sales were 20 percent above sales for last March.

With a new 5 percent rate now in effect and payroll savings campaigns starting in thousands of companies across the nation an increase in sales is expected in the months of May and June.

Mid-Illinois and NI-Gas, and favorable tax rulings by the Internal Revenue Service.

Chandler also said that NI-Gas is cooperating with Edison in its attempt to alleviate the air pollution problem in the Chicago-land area.

Among many other steps it is taking, Edison will increase its use of natural gas when it is available," he explained. "This will be largely interruptible and off-peak gas, and will not impair our ability to serve our firm customers."

"As responsible citizens in the communities we serve, we will continue to cooperate with others on air pollution abatement as our gas supply permits."

The Veterans Administration announced earlier this year that 14,800 disabled veterans—some 4,100 more than last year—were studying in colleges and pursuing on-the-job training.

berg has served on the board and was chairman of the 1969 Lake County Heart Fund drive.

Officers re-elected to second terms were first vice president, Dr. Wallace L. Salzman of Mundelein, chief of the coronary care unit at Condell Hospital in Libertyville; and second vice president, Dr. Charles B. Froelich, Jr., of Deerfield, chief of staff

at Highland Park Hospital.

Serving as the new director-at-large is State Senator Robert Coulson of Waukegan, 1970 Lake County Heart Fund chairman. The annual meeting's featured speaker, Coulson discussed the crisis in health care.

Dr. William E. Cape of Highland Park, chairman of the nominating committee, also announced three new area directors. Chet (Cozy) Kozuchowski of Round Lake represents Avon and Warren Townships on the Heart Association board.

Representing the city of Lake Forest and Shields Township is John Anderson of Lake Bluff. Anderson is vice president of First National Bank of Waukegan. Globe Department Stores President Seymour Morrison, Waukegan, represents Waukegan Township (excluding North Chicago).

# Woman's Club Luncheon Draws Large Crowd

The Closing Luncheon of the Antioch Woman's Club took place Monday, May 4th at the Parkway Restaurant on Belvidere St. in Waukegan with an attendance of 72 members.

The goals achieved during the 1969-70 term reported by the chairmen were many and varied. From the Illinois Federation of Women's Clubs, a Certificate of Accomplishment was awarded for participation in the 1968-69 Cancer Smoking Health Hazard Program.

In recognition of outstanding achievement in National Defense and Veterans division, a Certificate of Award was received from the Tenth District of the Illinois Federation of Women's Clubs and Honors go to Mrs. Arthur Kaufman for her dedication to this service, who for the past 27 years has gone once a month to Downey Veterans Hospital with her various committees, entertaining the veterans with music, bunco, and refreshments donated by the club.

Sharing this good work, Mrs. Thomas Pechousek visits Downey every week to assist in therapy for the patients.

Mrs. Daniel Maras, Education, reported enthusiastic response from the five high school students, recipients of Antioch Woman's Club Scholarships and they will be feted at Honors Day at the High School this month. Also in the Educational field, 12 members worked at W.T.T.W. Channel 11, assisting in the Annual Auction for educational TV. Health Chairman Mrs. Myron Nelson, gave a resume of the projects in that department, viz: The Salvation Army Doughnut Tag Day, the Cancer Drive and the T. B. X-Ray Unit headed by Mrs. Wm. Brook who, with her committee registered over 400 people for chest X-Ray examinations. The Heart Fund Drive with Mrs. Wm. Petty Co-chairman also reached their goal in Antioch.

The Antioch Auxiliary of The Lake County Mental Health Ass'n. raising funds through the Thrift Shop on Lake and Main Sts. has been able to donate over \$7,000.00 per year for the past 3 years to the Lake County office and are maintaining an office and consultant in the Thrift Shop Building for local use. The

Fifth Annual Collition headed by Mrs. Robert Lubkeman was again a huge success and netted a substantial sum for Mental Health use. Tickets have already been sold for the next dinner dance. Mrs. Edmund Vos, vice president of the Lake County Board of the Mental Health Ass'n. and head of the Thrift Shop venture expressed the hope of continued donations to the shop for an even better year in 1970.

With the report of Mrs. Ted Larson, Art chairman, the purchase of the Historical Showcase for Antioch's new library was assured. The First Annual Antique and Collectors show held last week at the Antioch Community High School being a success both from an aesthetic and monetary viewpoint. Mrs. Ted Costoff, Ways and Means chairman spearheaded this project, assisted by Mrs. Thomas Pechousek and Mrs. Larson, themselves collectors of antiques, who made all the arrangements and contacts to bring this show to Antioch. A tidy sum was also realized from the sale of tickets and sandwiches, cake and refreshments donated by the members.

Mrs. Gus Costoff, membership chairman, reported a gain of 18 new members and gave a reading of five prospective members, bringing the total membership to date of 120 active and 17 honorary members. Antioch Woman's Club took second place in the 10th District of Illinois Federation Diamond Jubilee Membership Drive. Diamond Pins were awarded to Mrs. Daniel Maras and Mrs. Julian Dziki for bringing in five or more members into the club. The new members were presented with orchid corsages, and a short story of their background and hobbies were told by their sponsors.

Announcements were made of Salvation Army Tag Day headed this year by Mrs. Joseph Horton and volunteer workers recruited for tagging on June 12th, and a benefit for the proposed Country-side Hospital on June 24th at the Antioch Community High School. Mrs. McKenzie asked members to assist her in starting a Toast-mistress Club in Antioch, its purpose to add Confidence, Poise and Education in presenting

speeches, reports and public speaking. The new library meeting room was offered as a meeting place for this educational program. Sixteen members are needed to obtain a charter. Mrs. Earl Hays extended an invitation to all members to join the Open House celebration of her Golden Wedding Anniversary at the Methodist Church, Wesley Hall, in Antioch on Sunday, May 24, from 2 to 4 p.m.

Highlight of the meeting was the presentation of the new slate of officers and chairmen for the coming season of 1970-71 and the installation ceremony by Mrs. William Petty installing as President Mrs. Raymond Toft, second year; Vice President Mrs. Anton Stanich; Recording Secretary, Mrs. Max Jester; Corresponding Secretary, Mrs. George Jaros; Treasurer, Mrs. Richard Radke; American Home, Mrs. Carl F. Cook; Art, Mrs. Ted Larson; Community Service, Mrs. William Brook; Education, Mrs. Gus Costoff; Legislation, Mrs. Daniel Maras; Membership, Mrs. Carl Sheske; Music, Mrs. O. W. Turner; Program, Mrs. George Hahn; Publicity, Mrs. Clarence Spiering; Rehabilitation, Mrs. Arthur Kaufman, Mrs. Thomas Pechousek; Health, Mrs. Myron Nelson; Social, Mrs. Edward Jacobs. The meeting was adjourned.

Mrs. Edmund Vos and her committee, Mrs. Joseph Horton, Mrs. Lester Nelson, Mrs. William Phillips, Mrs. Timmons, Mrs. Eugene Zanini, Mrs. W. J. Connell, Mrs. Elroy Anderson and Mrs. George Anzinger were hostesses for this day.

## St. Peter's Mothers Club Sets Meeting

On Wednesday, May 20, at 7:30 p.m. the St. Peter's Mother's Club will have a meeting in the Blue Room.

The Rev. Lawrence Lee, director of the Silver Lake Home in Wisconsin will present a program on drug prevention.

A film will be shown and he will bring girls to share their drug experiences.

The 7th and 8th grade girls and boys and parents are invited to attend, also all parishioners interested.

## Where The Boys Are

Owens

Airman William H. Owens, Jr., has completed basic training at Lackland Air Force Base, San Antonio, Texas.

He is now stationed at Davis Monthan Air Force Base, Tucson, Ariz. He is a 1968 graduate of Antioch High School.

Coast Guard Seaman Apprentice John P. Hettland, of 1905 Lincoln Drive, Lake Villa, Ill., is now serving aboard the U. S. Coast Guard Cutter Southwind, homeported in Baltimore, Md.

## 2,000 Scouts Take Part In Festivities

More than 2,000 Scouts, Cubs and Explorers of the Evanston-North Shore Area Council will take part in the "Wonderful World of Scouting" at the Lake County Fair Grounds near Grayslake May 15, 16 and 17, according to show chairman Col. Edwin A. Nichols, Commanding Officer of Ft. Sheridan.

Scouts will conduct demonstrations of skills, achievements, hobbies, handicrafts, specialties, and crafts in booths and camporee troop sites.

Special events will include pinewood and space derbies with each of the 136 Cub packs invited to enter their top three cars and top three "space rockets." Scout troops and Explorer posts will set up camp sites for overnight camping and will conduct demonstrations of outdoor cooking, bridge building, rope making, and various merit badge subjects.

Competitive events will be held in wood cutting, pancake cooking, log raising, compass course, and first aid. The young men will receive special awards for these events and the various booths and camp sites will be judged and awarded ribbons.

The Scout Fair will start at 10 a.m. May 16. Admission to the public is by ticket only. Tickets are being sold by all Scout units. All boys in uniform will be admitted free of charge.

## CHRISTIAN SCIENCE CHURCHES

An understanding of man's immortality was the basis of Christ Jesus' healing ministry and is effective in meeting human problems today, according to the Christian Science Lesson-Sermon on "Mortals and Immortals" to be read this Sunday.

Writings by the Apostle Paul on immortality will be read from the Bible. Citations from Science and Health with Key to the Scriptures by Mary Baker Eddy, include this statement:

"Through many generations human beliefs will be attaining diviner conceptions, and the immortal and perfect model of God's creation will finally be seen as the only true conception of being."

The public is invited to attend services beginning at 11 a.m. at First Church of Christ, Scientist, BEACON HILL, Rte. 173 & Harnden, Antioch, Ill.

Call 395-4111 to place a Society or News Item.

## WHEN YOUTH CONFRONTS GRIEF

THE BIBLE SPEAKS TO YOU

## 300 Attend Homemakers Annual Meet

Over 300 members of the Lake County Home Makers Extension Association celebrated their 38th Annual Meeting at Bristol Oaks Country Club on April 29 and thoroughly enjoyed the day.

Mrs. Peter Snesby, County President, opened the meeting with a lovely poem after which Mrs. Christian Fritz, Citizenship Chairman, led the group in the pledge to the flag and singing the Grace Song.

The noon hour was spent admiring the superb view of the fairways and greens, enjoying the buffet luncheon and visiting with friends (new and old). The hand-made flower favors, rabbit name cards and table decorations made by the hostesses units, Fremont, O'Plaine and Volo, put everyone in the mood of the theme of the day—"Spring Magic."

Group singing paved the way to the business meeting when new Council members were elected: Mrs. Warren Chard, President; Mrs. Richard Janssen, Second Vice-President; Mrs. Stanley Wojtowicz, Secretary; Mrs. Jack Tinker, Treasurer; Mrs. Larry Leafblad, Public Information Chairman; and Mrs. Harold Gerry, Safety and Citizenship Chairman. They were impressively installed by Mrs. Herman Stehr, Lake County's first President. Others continuing on the Council are: Mrs. Donald Isleib, First Vice-President; Mrs. Chas. Wray, Cultural Arts Chairman; Mrs. Russell-Werke, 4-H Chairman, and Mrs. Anton Merk, Hospitality Chairman.

Miss Pearl Winterfield, Assistant State Leader, University of Illinois Extension Service, presented certificates to those who had completed their term of office: namely: Mrs. Peter Snesby, Mrs. Walter Fontaine, Mrs. Melbourne Mudd, Mrs. Calvin Bracher and Mrs. Christian Fritz.

Guest speaker was Mrs. Beryl Pritchett of Indiana, who demonstrated, "20 Outfits From an Overnight Case." She vividly showed and modeled how a woman who can sew and use her imagination can come up with clever and satisfying ideas for building an attractive wardrobe. Those present who had been members all 38 years received a flowering plant. Membership Chairmen of the units with 100 per cent dues paid received gifts and the traveling gavel went to Gurnee Evening Unit for the greatest gain in membership this past year.

Mrs. Chard presented Mrs. Snesby with a gift from the Association in appreciation of her excellent leadership during her term of office. The gift was an original painting by Mrs. Allen Schalk, a former County President.

The meeting closed with much enthusiasm for beginning another banner year.

## Garden Clubs To Attend Convention

The Antioch Garden Club will meet on May 25 at 12:30 p.m. in the Antioch Savings and Loan building.

The following members are new officers for 1970-71, recently installed at a luncheon held at the Iron Kettle, Wilmet, Wis.

President, Mrs. Elmer Christophersen, Antioch; First Vice-President, Mrs. Howard Wells, Trevor, Wis.; Second Vice-President, Mrs. Murray Conzelman, Wadsworth; Secretary, Mrs. John Eper, Spring Grove; Treasurer, Mrs. Fred Ochsmann, Antioch.

At the next meeting, members are asked to bring flower arrangements, in preparation for the Flower Show to be held in June. These arrangements will be judged and suggestions given by a person qualified to judge.

Preceding the judging, President Mrs. Elmer Christophersen will call the business meeting to order at 1:00 p.m.

Refreshments will be served by the hostesses, Chairman Mrs. Frank Kranz and her co-chairman, Mrs. John Preston.

Says the Cascade, Iowa, Pioneer-Advertiser: "This government of our is truly a system of checks and balances. First there was the relief check, then the allotment check, then the war bonus checks, to say nothing of the Social Security check and the unemployment check. Soon to become commonplace will be the Great Society poverty and rent-subsidy checks. Now this takes care of the checks, but I'll be darned if I know where the balances will be found."

By Fran Boxley

Thursday, May 7  
Membership Committee presented Chapter program. Their program was Camp Life and Camping. Their speaker was Mr. J. Tobolik, Executive Director from Camp Duncan.

Mr. Tobolik talked on the benefits and experiences boys receive from camping. He also talked about the facilities and the day camp session held at Camp Duncan during the summer months. During a question and answer period, Mr. Tobolik passed around some literature on Camp Duncan. Everyone enjoyed the program.

After the program a new member was enrolled, Dorothy Rose, sponsored by co-worker Dorothy Puig.

A chapter pin was given to co-worker Charlene Stanley for attending three consecutive meetings.

Refreshments were served by the membership committee.

Calendar of Events for May:  
Thursday, May 14—Officers' meeting at the home of Chaplain Barbara Seelhoff.

Saturday, May 16—Boy Scout Card Party at Moose Home. The W. O. T. M. sponsor the Boy Scouts. A good attendance is desired for this event.

Wednesday, May 20—Honorary Dinner at Moose Home 6:30 p.m. All co-workers invited. Star Records Bag party to follow after dinner. This bag party is a lot of fun for everyone.  
Thursday, May 21—Business meeting, Moose Home, 8 p.m. Co-workers come in early. Election night.

Saturday, May 23—Come one! Come all! Chapter project, Exciting! Las Vegas Night, 8 p.m. Moose Home.

Monday, May 25—Friendship meeting and ritual practice for Friendship members.

## Dinner Is Scheduled

The Salem United Methodist Church will hold its annual Men's Club Beef Dinner from 12 noon to 2 p.m. on Sunday, May 17.

THURSDAY, MAY 14, 1970 THE ANTIOCH NEWS—6

## Lindhurst News

By Mrs. Bernice Bernau  
356-5649

Women's Club Meeting  
The Lindhurst Women's Club will meet Thursday, May 14, at 8 p.m. at the Lindhurst Civic Center. All ladies in Lake Villa Township are invited to join the club.

## ALTAR & ROSARY

Mrs. Cecile Mann, chairlady of the Prince of Peace Altar and Rosary Sodality nominating committee read the slate of officers for 1970-71 at the May 6 meeting. Unanimously elected were Mrs. Richard (Katie) Blake, president; Mrs. Charles (Pat) Vrba, 1st vice president; Mrs. Yvonne Richter, 2nd vice president; Mrs. Pat Dittmer, secretary; and Mrs. John (Terry) Hamlin, treasurer.

They will be installed at the June 3 dinner-meeting at Sabatini's Restaurant in Long Lake. Other business discussed was the annual rummage sale. It will be held in the Prince of Peace School on June 26 and 27.

## FINANCE COMMITTEE

Betty Ogden, Virginia Henry, Tony Palusis, Ralph Stollenwerk, Robert Brest and Walter Brycie-wicz have been named to the Prince of Peace Finance Committee.

## HOLY NAME SOCIETY

All male parish members, 17 years of age and up, are automatically members of the Holy

Name group. The main purpose of the membership is to receive the spiritual benefits.

## MARRIED

Miss Amy Mindak, daughter of Mr. and Mrs. Frank Mindak, Lindhurst, will become the bride of Alphonse Nault of San Diego, Calif., on May 16 at the Holy Name Chapel at Great Lakes at 4 p.m.

## CHRISTENED

Kristine Brendel, daughter of Fred and Carol Brendel, was baptized at Prince of Peace Church on Sunday, May 3. Also baptized were Nichole Thoreso, daughter of James and Krystyna Polewawczyk and Stephen Howard Schultz, son of Kenneth and Diane Schultz.

## SCHOOL BOARD NEWS

Mary Ann Slavik was elected to the Prince of Peace Parish School Board in a recent run-off election. Richard Blake won the election and will be seated with Mrs. Slavik at the May 13 Parish School Board meeting.

## Legion Auxiliary

By Del Jahneke

Approximately 125 women were present at the Past President's Parley Dinner Party Meeting of the 10th District American Legion Auxiliary, held at the Northern Chateau Restaurant in Libertyville, on May 7th. Mrs. Richard Brady, Gurnee, District Junior Past Director, was the presiding officer.

There were past presidents in attendance from all 22 units in Lake County to enjoy the delicious dinner, attractive decorations, and the hilarious entertainment after the brief business meeting. Those participating in the entertaining skit were Mrs. Thomas Kinney and Mrs. Everett Ajnsworth, both of Lake Forest; Mrs. William Franzen and Mrs. George Flugler, Vernon Unit; and Mrs. Walter Meyers, Mundelein. The members voted to purchase a portable sewing machine for the women patients at Downey Hospital. The date for the 10th District Downey Picnic will be August 1st, from 10:00 a.m. to 2:00 p.m.

Representing the Antioch American Legion Auxiliary were two past district directors, Mrs. John L. Horan and Mrs. Ray Bathmann; past presidents Mrs. Lester Zilkus, Mrs. Edward Jahneke, Mrs. Joseph Horton and Mrs. John W. Horan, Mrs. Horton, Mrs. Jahneke and Mrs. Zilkus were also fortunate in winning door prizes.

The following weekend of May 22nd, 23rd and 24th will be a busy and crowded schedule for many of the 10th District American

Legion and the Auxiliary members. Poppy Days are May 22nd and May 23rd. The public is asked to be generous in their contributions — the money they give both recompensates the disabled veteran who spends many hours assembling those little red poppies; and also provides rehabilitation and child welfare for the needy veteran and his dependents.

Volunteers are always in demand; and Antioch post and unit co-poppy chairman F. A. Swenson and Mrs. Bernard DeVries welcome all those members who will give of their time and efforts.

Sunday, May 24th, is the annual picnic of the 10th District American Legion and the Auxiliary, to be held at the Lake Region's American Legion Home in Fox Lake, starting at noon. Some 150 children from the Allendale School for Boys; the Lake Villa Central Baptist Children's Home; and Arden Shore Home; will be the guests of the Legion and the Auxiliary. A picnic lunch of hot dogs, hamburgers, pop, etc.; boat rides on the lake; games and prizes are all on the agenda for this affair. District Child Welfare Co-Chairmen are John Jones, North Chicago; and Mrs. William Franzen, of Libertyville, Vernon Unit. All legionnaires, auxiliary members and their families in 10th District may attend this yearly picnic.

## Rose Society Will Hold Spring Dinner

The Northeastern Illinois Rose Society will hold its Spring Dinner meeting at the Parkway Restaurant on Rte. 120 in Waukegan, on Friday, May 22nd at 7:00 p.m.

A rewarding experience awaits members and guests. Speaker for the evening will be Art Kozelka, Garden editor of the Chicago Sunday Tribune. He will share his expert know-how and experience in the fascinating realm of the garden, stressing especially the spring care of the rose garden.

Kozelka, who is a consulting rosarian of the N.I.R.S. and also a rose judge, has four hundred rose bushes of his own, in addition to many day lilies, at his home in Downers Grove.

## Waukegan Speedway

(Continued from page eight)  
Lake Villa, Herb Artelt of Wildwood and Bob Anzinger of McHenry.

The Sunday night races at the Speedway will also have a special attraction as the ladies will take to the track in the powder puff derby.

## Legal Notice

**LEGAL CLAIM NOTICE**  
IN THE CIRCUIT COURT OF THE NINETEENTH JUDICIAL CIRCUIT, LAKE COUNTY, ILLINOIS

**PROBATE DIVISION**  
ESTATE OF HARRY W. LARSON, Deceased, File No. 70 P-258  
NOTICE IS GIVEN OF THE death of HARRY W. LARSON of Round Lake Heights, Illinois. Letters of Office were issued on May 4, 1970, to Jean T. Gorsuch, 1717 Brentwood Drive, Round Lake Heights, Illinois, Executor, whose attorney is Edward C. Jacobs, 425 Lake Street, Antioch, Illinois.

Claims against the estate may be filed in the Probate office of the Clerk of said Court, 18 N. County Street, Waukegan, Illinois, 60085, within 7 months from the date of issuance of letters; any claim not so filed is barred as to the estate inventoried within that period. Also copies of claims must be mailed or delivered to the Executor, and to the attorney, STEPHANIE SULTHIN, Clerk of the Circuit Court (May 7-14-21, 1970).

It's easy to place a classified—Just dial 395-4111.

## Carmel High Sets Sports Banquet

The Carmel High School Athletic Department would like to announce that on Friday, May 22, the Annual All-Sports Banquet will be held. An excellent program is planned as they have for the main speaker Ray Elliot, former football coach at the University of Illinois.

Elliot is known for his inspiring talks and his solid background in coaching. He served as head football coach at the University of Illinois from 1942 through 1959. In that time he won or shared three Big Ten titles and produced decisive victories in two Rose Bowl games in which his team appeared. He has also coached the Chicago Tribune All-Star Game, the East-West Shrine game four times, the Blue-Gray game four times,

and he was twice coach of the North-South Shrine game. Elliot is known as a man who will give you "something to think about."

Also scheduled to be on hand for a few words and to assist the coaches in handing out the Most Valuable Player Trophies will be Chuck Baygeon, a resident of Mundelein and former North Park College line-backer, who has signed a contract with the Minnesota Vikings; Jerry Sloan, who captained the Chicago Bulls to one of its best seasons and who was also named to the N.B.A. all-star team; Jim Ringo, former All-Pro center with the Green Bay Packers, and now an assistant coach with the Chicago Bears.

It is suggested that those desiring to attend make early plans, since there will be only 800 tickets sold.

The cost of the ticket will be \$3 for students and adults which includes a fine meal, meeting and mingling with the celebrities and obtaining autographs.

## State Bank Sponsoring Banquet

The State Bank of Antioch is sponsoring an athletic banquet at 7 p.m. on Sunday, May 17 in Lorenz's Smart Country House to honor the Antioch High School basketball and cross-country teams, both Northwest Suburban Conference champions.

Guest speaker will be Gene Sullivan, assistant basketball coach at Notre Dame University. Members of both teams, the track team, coaches and varsity cheerleaders will be guests of the bank.

After a slow start the basketball team—which finished with an overall record of 17-11—picked up and came out with a tie with Lake Forest for a share of the championship.

The varsity cross-country team repeated as Northwest Suburban Conference champions for the fourth consecutive year. Their overall record was 12-3.

## Marty Berry To Coach Swim Team

Mrs. Roy Berry has been named coach of the Antioch Swim Team for the 1970 season.

During the winter months, Marty serves as coach for the Waukegan YWCA girls' swim team. She organized the first Zion swim team in 1960 and for the past ten years was their head coach. Her teaching background includes water safety aid, Part 1 of WSI course and merit badge counseling and life saving for the boy scouts and girl scouts.

She is a member of the Illinois Swim Parents Association and the Illinois Swimming Association. In 1968 she was honored by the American Red Cross for 20 years of continuous service.

Marty, her husband Roy, and their six children, Jane 16, July 15, Eddie 13, David 12, Susie 11 and Carol 9, reside at 820 Franklin, Winthrop Harbor.

The Antioch Swim Team is a part of the swimming program offered by the Antioch Lions Club. The State Bank of Antioch is the sponsor of the team and provides them with all the necessary equipment and supplies, such as starting blocks, lane timers, score board, programs, meet awards, suits and training aids.

Registration forms for the swim team will be available during the month of May at the State Bank, Antioch Savings and Loan

## Antioch Loses To Lakers

By Nell McKenzie

Round Lake set down Antioch Tuesday, May 5, 11-5. Cliff Walkwin made the start for the Panthers and pitched a steady game, taking credit for the win.

Mike Stickler started for the Sequoits and was labeled with the defeat, his third against two wins.

The game was marked by sloppily executed defensive plays. The story of the game was the second inning. Round Lake sent ten men to the plate and before it was over seven crossed it for a fat 7-0 bulge. Four hits, two walks and two wild pitches helped build the inning. Rich Prokorker homered to clear the base paths, and the next man kangarooed to end the inning.

Antioch tallied two runs in the third. Don Rush singled and Mark Taylor hit his first of two home runs. Antioch scored another run in the third. Two more were added in the sixth as Mark Taylor belted his second home run of the day.

Round Lake scored in the fourth and followed with three runs in the seventh to account for the final 11-5 reading.

Box Score:

Rnd. Lake 0 0 1 0 0 3-11

Antioch 0 0 2 1 0 2-5

Stickler, Rockow, D. Rush, Gross, Wallwin & Klewitz.

## Warhawks Sink Sequoits

By Nell McKenzie

North Chicago cracked the mighty Sequoit armor for eleven big runs Wednesday, May 6.

Antioch managed seven runs but lost out on the defensive end.

Bruce Rush made his second start of the year but found the first inning very rocky. He faced eight men and gave up four runs before reliever Steve Bentel came in to retire the side.

North Chicago had a young sophomore pitcher on the mound who proved more than enough to handcuff the Antioch players. Charles Barre gave up four hits, seven walks, and struck out two.

Antioch scored in the third, as a result of two errors, three in the fourth on three walks, and one run in the sixth, a homer by Bill Albano, his third of the year.

The last two runs came in the seventh inning as the Antioch reserves touched Barre for two hits.

Bruce Rush took the loss. His record is now 1-1. Leading the hitting attack were Mark Taylor, Ron Turzy, each getting singles, and Bill Albano with two hits.

Box Score:

## Emmons Wins Third Game Over Newport

On Wednesday, May 6, Coach John Kakacek's Emmons Grade School baseball team won its third straight victory. The Emmons Raiders played Newport Grade School on the Emmons field.

The first four innings were very close, but in the fifth inning the Raiders broke loose by scoring 12 runs, and took the lead after being behind 10-9. After scoring more runs in the sixth inning, the Emmons Raiders won the game 29-10.

Bob Bach and Alan Westman of Emmons, and Torla of Newport hit home runs.

Pitcher Tim Brueggemann of the Emmons Raiders won his third straight game. Torla was the losing pitcher for Newport.

## Schuler Wins Feature

Lee Schuler of Lockport passed Ray Young of Dolton with seven laps remaining to win the late model 30 lap feature at the Waukegan Speedway Sunday night.

Tom Oliver of Zion won the hobby feature which saw four leaders eliminated in various accidents.

Ed Anderson of Mundelein, who is part owner of Vern-Browne's late model, decided to take a ride in a hobby stock, and he did, flipping end-for-end in front of ten other cars at the start of the first heat. He was unhurt and his late model claimed third in their feature.

Al Gutche of Bristol, winner of the first heat, led the first ten laps of the race with Carl Major of Chicago running second, most of the way. Young took second on the sixth lap with Vern Browne of Wauconda and Schuler right behind.

Young took the lead on the 11th lap and looked a sure winner as he opened up a comfortable margin on Browne, but in the 14th lap Schuler took second and several laps later he was right on Young's bumper.

Bob Delaney's car dumped a lot of oil on the asphalt surface in the 19th lap and the race was red flagged at that point to put drying material on the track.

On the restart Young held the lead for only three laps before Schuler powered his way by. But the race wasn't over at that point as Young tried repeatedly to regain the lead, but had to settle for second, two earlengths behind the 37 year old Lockport driver.

Browne took third by just a carlength or two over Waukegan's Jim Cossman. Dave Evans of Mundelein, who ran fourth for much of the race, was passed by Cossman in the 24th lap and wound up fifth.

The special backward-forwards race was an instant success with a near demolition derby atmosphere. Larry Cash of Waukegan won the event after Gene Burdette of Sturtevant spun wildly while in the backing-up portion of the race.

Next week the special added attraction Sunday will be a powder puff derby for the women with a number of gals already signed up. The following Sunday will be a special "beat your neighbor" race. Of course next Saturday will be the first 100 lap race of the season for the late models.

Sunday being Mother's Day, promoter Gordon Sill awarded the oldest mother in the stands a TV tray and snack set. After a number of ladies had volunteered their ages, Mrs. Maude Morrell of Kenosha announced she was 70 years young and won the gift.

## Waukegan Speedway Program Set

Next Saturday evening, May 16, will be the biggest program thus far in the season at the Waukegan Speedway. The late model super stocks will compete in the first 100 lap feature in the area.

A full card of events will complement the 100 lap feature with time trials beginning at 7 p.m. and the first race going to the starting line at 8 p.m. Hobby stocks will also be in action.

Last season the first 100 lapper, which was also the first in the track's history, drew the largest field of cars for the season and the largest crowd also. The purse paid to the drivers on that date was the largest ever in Speedway history.

With a break in the weather, the drivers will be hoping for a repeat performance with another large payoff. The fans can depend on a good field of cars and most of the top area drivers in the 20 car, 100 lap distance event.

The race also will match a number of top Chicago area pilots against the top late model drivers from Lake County. Carrying the hopes of the Chicago based fans will be Ray Young of Dolton, Lee Schuler of Lockport, Bob Roper and Carl Major of Chicago, Ray Freeman of Crete and Rich Sundling of Addison.

The top Lake County drivers so far this season have been Jim Cossman of Waukegan, Vern Browne of Wauconda, Dave Evans and Scott Moore of Mundelein, Paul Craddock of Round Lake and Bob May of Gurnee.

Not to be counted out of the running in this long distance race are Bob Knoll of Chicago, Bob Delaney of Roselle, Al Gutche of Bristol, Wis., Jim Couch of Grayslake, Jacques Terrault of

## Antioch Nips Scouts

By Nell McKenzie

The Antioch Sequoits up-ended the Scouts from Lake Forest 12-10 May 8. Offense was the name of the game, as both clubs beat out a total of 22 hits, 14 by Lake Forest and 8 by Antioch.

Tom Martin endured for 6 2/3 innings slugfest. Martin struck out four and walked three.

Four pitchers saw mound duty for Lake Forest. Clarence Brumm started and pitched for 1 1/3 innings. Mike Donohoe retired the side. Mark Kiddell pitched the third and the sixth inning. Brumm came in to pitch the fourth and fifth innings.

Mike Stickler came in with the tying run at the plate and put out the fire to save Tom Martin's win. Five runs were scored in the seventh. Five singles and an error accounted for the runs.

The Antioch hitting attack was paced by Mike Geiger and Bill Albano with two each and Bob Jarvis' two home runs. Steve Bentel and Jim Rockow each contributed with one hit each.

## Set Wilmot Opening Saturday

When gates open at the Kenosha County Speedway this Saturday night, May 16, there will be a rush of new super modifieds and champions eager to test their cars for the first time in the 1970 season.

Champions Roger Otto, four time Champion; Whitey Harris, three time Champion; Don Score and Al Schill, each with one Championship, will be among the large field ready to race.

Roger Otto, Burlington, won his Championship at Wilmot and Lake Geneva and he is the only three-time Wilmot Champion. He will be using the same car that carried him to three of these four championships. It is heavier than most modifieds but is powered by one of the largest engines in competition, a fuel injected Pontiac V8. Harris, of Lake Villa, will be in a Chevy V8 powered car owned by Freddie Neilson of Lake Villa that has won several championships with Johnny Reimer as driver.

Harris is the only driver to have won Championships at Wilmot, Lake Geneva and Waukegan.

Al Schill, Frankville, will be in one of the many new cars. He won two Championships in 1969. Don Score, West Allis, won his Championship at the beginning of the 60's and feels that this could be another championship year for his new super. Others on hand will be Bill Bohn, Kenosha; Ron Larson, Kenosha; Jr. Dodd and Jim Bozeman, Waukegan; Paul Cameron, Round Lake; Denny McKry, Elgin; Eddie Loomis, Waukegan; Chuck Achenson, Milwaukee and many more. There will also be a full division of sportsman stock car racing each Saturday night at Wilmot.

Jack Biddison, known as Jack at Trackside, will return as race commentator and publicity director for the IRA group at Wilmot and Lake Geneva.

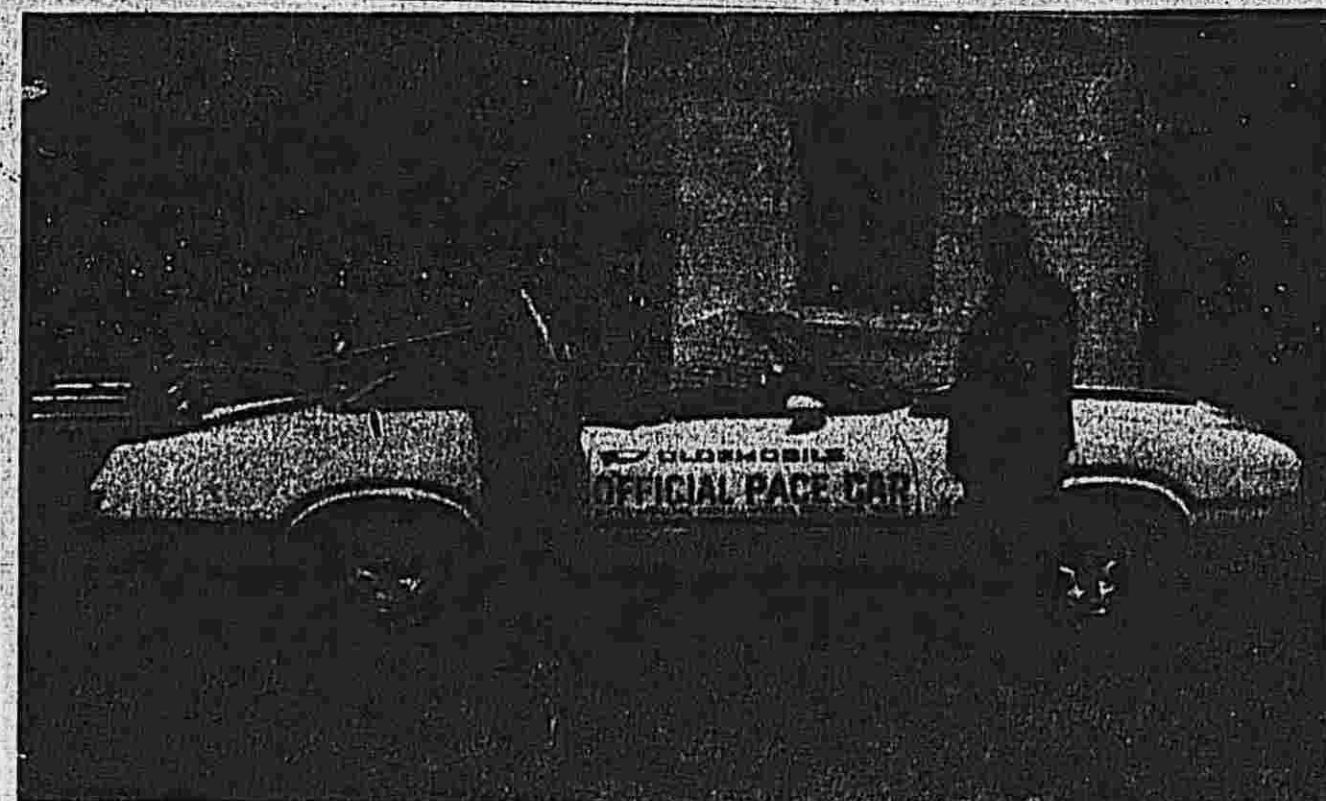

The red-wing blackbird is more closely related to the oriole and meadow lark than it is to the crow.

THE ANTIOCH NEWS

The official Pace Car for the Indianapolis Motor Speedway, an Oldsmobile 4-4-2, will also be the official Pace Car for the Interstate Racing Association at the Kenosha County Speedway in Wilmot when racing opens on Saturday, May 16. The car is being furnished by John Teresi Chevrolet-Oldsmobile Agency in Antioch. Ray Toft, mayor of Antioch and IRA manager of racing at Wilmot, accepts the auto from Ray Scarpelli.

## Warrens Takes Stocks

Gerald Warrens of Gages Lake won the hobby stock feature at the Waukegan Speedway Saturday night in a close finish over George Garrett of Zion on a rain slickened track. A heavy shower just as the late models started to hot lap forced cancellation of that event.

Threatening skies, tornado warnings and an 80% chance of rain hung over the Speedway Saturday night, but every event was completed except the late model feature, although the program was delayed at one point for 35 minutes due to a shower.

The late model drivers were paid the feature purse according to the way they qualified. Ray Young of Dolton must have been looking at the rain laden skies as he clocked a :14.40 lap for fast time, and eventually, the feature win money. Waukegan's Jim Cossman just missed the big money timing in at :14.42. Rounding out the top six qualifiers were Lee Schuler of Lockport, Bob May of Gurnee, Vern Browne of Wauconda and Bob Delaney of Roselle.

The hobby feature was contested as soon as the track was dried after the first shower. Defending titlist Tom Reuss of Wildwood took the lead for two laps before Warrens tasted the lead. With many of the more highly powered cars spinning on the still damp track, Warrens maneuvered his 1961 Plymouth Valiant to the win. Garrett was only a few feet behind for second money and Tom Oliver of Zion took third.

The hobby race races were wild affairs with Oliver and Chuck Bostick of Waukegan turning in the wins. In the fourth lap of the second heat Chuck Chadwick of Lake Zurich was struck by an out-of-control car and sent into a high-speed spin down the backstretch.

## Ward - Navik Antioch Bowl House Champions

Antioch Bowling Lanes House Elimination tournament came to an exciting end Monday night, May 11, with Don Ward bowling against Roy Hartmann in a best of 7 game match.

Don Ward became the champion in the Men's Division.

Dee Navik rolled against June Troyer in the finals of the Women's Division with Dee Navik becoming the champion.

The tournament had a prize list of \$1000.

The tournament started in early March with 164 men entries and 64 women entries. Each bowler played against another until there were only two men and two women for the finals.

## 'Your Doctor' James Kopriva

"I feel that Antioch is in a very good position to have five doctors practicing in town, considering that in some areas of the state they can not get even one doctor."

The only thing that Doctor James Kopriva left out of his statement was that Antioch was also very lucky to have him as one of the five doctors.

Not only is this respect for Doctor Kopriva strongly felt here in this community, but also among his fellow doctors.

Just recently 107 doctors and staff members of Victory Memorial Hospital elected him as chief of staff for the year 1970. To make this even more of an honor is the fact he is the first doctor outside of Waukegan to ever be elected to the post.

Doctor Kopriva and his wife Helen have lived in Antioch since 1952. His parents have lived here since 1945 and during the summer he stayed here between college terms. When he and his wife first moved to Antioch he began his practice with Doctor Breakstone.

The two doctors worked together until 1955 when Doctor Breakstone left and Doctor Kopriva and Doctor Thain began working together in a building on Orchard Street. In 1958 Dr. Bobzien joined the staff and they moved to Main Street where they are now in the Antioch Clinic.

Doctor Kopriva has been practicing medicine for about twenty-five years. His educational background is all from the University of Illinois; which he is very proud of. In 1943 he received his M.D. degree from the University. Doctor Kopriva did his internship in the Army Medical Corps during the second World War. A great deal of this time was spent in India.

Doctor Kopriva met his wife Helen during the time he was a junior medical student working at St. Francis Hospital in Evanston. They have three children, two girls, Phyllis and Barbara, who both work and live in Chicago, and a son, Jim who is a student at the University of Illinois.

It is interesting to note that when Dr. Kopriva entered college he did not plan to go into medi-

cine but began his education in the area of accounting. After one year, he felt that this was not for him and went into pre-medical school.

In the future Doctor Kopriva hopes to expand the present Antioch Clinic, not only the building itself but also to add another doctor to the staff if and when one can be found. At present there is a doctor shortage and it will not get better in the near future.

This may even become true in Antioch if the community grows as it is expected to in the next few years. Also he feels that the new Countryside Hospital will be good for the area by the time this project is complete. By that time we will have need of this hospital.

Aside from medicine, Doctor Kopriva has many outside interests. Among these interests are painting, music, history, the Library Board, and his gardening. He is well known for his art work, which is outstanding and on display in many places. He has won many awards for this work. His music ability is also well accepted in Antioch.

He has played in shows for the P.M.&L. players and in numerous benefits for schools and other organizations. While he was in college his music ability helped to pay his way through by playing for dances with different groups.

In the sports area he enjoys golf, which he plays almost every Tuesday during the summer, and he also likes to fish.

To gather the needed information and pictures on a man who is obviously a very complex person and just as obviously very talented, could have been a very trying job.

In the case of Doctor James Kopriva this just was not so. His very nature makes him a very easy person to talk to, and above all you soon feel a deep sincerity about this man in what he is doing and in what he stands for.

It was also very obvious to this person why he has become a success in his life's work and the many other interests he has.

Dr. James Kopriva and his wife, Helen.
